

Wellness Center

Guests have the opportunity to indulge in pure relaxation at our Wellness Center. We offer a variety of exclusive treatments ranging from the most popular massages and beauty treatments to revitalize and rejuvenate the body and mind, to traditional treatments (mud, baths, inhalations, aerosols). For the latter, guests with a prescription from their General Practitioner can take advantage of our agreement with the National Health Service, paying only the ticket fee. Immersed in the tranquility of the greenhouse that houses our indoor pools, the Castiglione Wellness Center will captivate you with an experience of bliss and satisfaction of the senses.
